

Thank goodness Hurricane Season is finally over! This is just a gentle reminder of a notable regulation from the Oasis Checklist of Rules and Regulations:

[] The following are prohibited

· Hurricane shutters are prohibited between Dec. 10 and May 31

- Loud music
- Loud sounds
- Christmas lights are prohibited after January 31
- Littering anywhere on Oasis property
- Major house repairs on Sundays and holidays

Your compliance with this and all Oasis Rules and Regulations is appreciated.

Thanks.
